Docket No. 98N-1265 8513 99 JUN -1 All 07
Food and Drug Administration

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I have used compounded natural hormones to protect my bones & heart as a menopausal woman. It alleviates symptoms that caused me to be uncomfortable and depressed about growing older.

Please don't restrict the availability of obtaining these natural compounds hormones.
